At the Sir David Attenborough Zoo we have 3 cafes and 2 restaurants where you can eat.

We also have special picnic areas if you want to bring your own food.

Our toilets are at the main entrance to the zoo and at all cafes and restaurants. All our bathrooms have wheelchair access.

You can download our zoo map from the website or get one with your tickets when you arrive.

There are baby-changing stations in all disabled toilets and in our Cheeky Chimps café.

If you need help when you come to the zoo, please ask one of our team so your visit is as enjoyable as possible.

There is a gift shop beside the way out for all your souvenirs and we have vending machines located at many places round the zoo for drinks and snacks.
