27<sup>th</sup> May 2021.

Dear Parent/Guardian,

Today we have had a positive case of Covid 19 in our P4 class. All close contacts have been informed and have now received guidance from PHA.

All pupils in Mrs McAllister's class **MUST SELF ISOLATE** until and including 3<sup>rd</sup> JUNE.

**THESE CHILDREN SHOULD NOT LEAVE THEIR HOME UNTIL 4<sup>th</sup> JUNE.**

Pupils also require a covid test as soon as possible, quoting the reference number provided.

## GENERAL INFORMATION

- In order to protect our class bubbles, if any member of a household is experiencing COVID SYMPTOMS and intends to book a test, children from the household **should not** be sent to school.
- If anyone in the household has symptoms and has booked a test all members of that household are required to self isolate and **should not mix with the wider community.**
- **Please inform the school IMMEDIATELY if your child is isolating at home, due to a family member displaying symptoms or tests positive.**
- **Please inform the school immediately if your child has a positive test.**
- **Face coverings should be worn on school grounds.**
- **Please to not linger to chat while on the school grounds**

Your co operation with these matters is very much appreciated.

School will be closed on Monday 31<sup>st</sup> May- Bank Holiday and Tuesday 1<sup>st</sup> June- staff development day.

Morning club re –opens on Wednesday 2<sup>nd</sup> June at 8am. Children must be booked online by Sunday 30<sup>th</sup> May.

Children booked for morning club should come to the front door. REMEMBER COATS.

Enjoy the bank holiday.

Yours sincerely

Mrs McWilliams

(Principal)
